Welcome To Week 8

This Newsletter heralds the next “big week” in the life of Mt Torrens Christian School. It is the week of the School musical drama presentation, “Alone Yet Not Alone”. As a whole school event, students from Foundation to Year 12 have been working enthusiastically and diligently to learn their parts, under the direction of Mrs Sara and Ruth Trinkle. While satisfying the important curriculum area of performance arts, the musical drama provides students with a rich and enjoyable experience of drama, music and working together. Don’t miss out on the performances, Wednesday 23rd June at 1.15pm and Thursday 24th June & Friday 25th June commencing at 6.30pm, in the Lobethal Centennial Hall.

A special thank you to all who have helped with costumes, staging and the many background support aspects without which events like this could not happen successfully. Thank you especially to Mrs Sara and Ruth Trinkle whose initiative, creativity and commitment have made it possible to undertake this production. Thank you to students, whose willing effort and involvement have been such a blessing.

From the Principal

Continued

Students will have some great memories from the experience of working together in the musical. As they do so, they will have the opportunity to apply the Scripture memory text in Matthew 5:16. This text says, "let your light so shine before men, that they may see your good works and glorify your Father in heaven". As students "shine" in their dramatic roles and singing, our prayer is that all who come to enjoy the musical will give God the glory and take away an abiding reminder of the faithfulness of God to those who trust Him.

SACSA Cross Country

On Tuesday 1st June, four students travelled to Carisbrooke Park, Salisbury to compete in the SACSA Cross-Country Carnival. After familiarisation of the course (3Km), the students ran in their age groups:-

- **Louise Trinkle**, in the 15 Girls race ran well coming in 4th place in 14 min 50s.
- **Kezia Ziegelmann**, in the 14 Girls had an excellent race coming 2nd in 13 min 39s
- **Timothy Trinkle**, ran in the 13 Boys race competing against some very good runners. He ran very well to finish in 12 min 2s coming in 4th place.
- **Jessica Trinkle**, in the 13 Girls had an excellent race to finish 2nd in 13 min 59s.

This was a great result for all these students, who had trained very well. We thank God for blessing us with these results and also for keeping students safe in their running and the travel to and from the event with Mr Ruediger.

MTCS Musical

The Coach House Mt Torrens

F-4 Excursion

Samuel Brosille writes...

On the 31st of May the Year 2-4 class went to the Mt Torrens Coach House. We met Kerry, Gail and Rose when we arrived, and looked at all the different things.

There were puppets and hats that we put on. There were old long drops that we could sit on and an old bath that we could lie in. There were also medicines, thimbles, seeds and cash registers to look at.

A washing set had a clothes dryer and a scrubbing board, and a washing stick with a cone on the end to squish around in the wash bucket when full of clothes and water. The best thing was all the photos of the old buildings, cars and carts.

Reuben Trinkle writes...

We saw a weird hat, old purses, clothes dye, seeds, cash register, dryer, bathtub, old bottles, and pictures. We also had to find things like dolls and mannequines. They even had an old drop toilet.

Indy Sklenar writes...

We saw a lot of pictures. There was an old bathtub with a washing hat. We got to go in it and wear the hat. The people there were called Kerry, Gail and Rose. We also saw some weird dressed mannequines. We saw an old long drop toilet with a big and little seat. There was an old tv with dvds. We saw metal containers everywhere! There was a grandfather clock too. Rose showed us hats. There was a hat made of mandarin rind. It was the oldest hat there.

Axel Coull writes...

We went to the Mt Torrens Coach House to learn about history. We saw mannequines, pictures and a wooden toilet seat from the old school. A lot of the things are kept in my Grandpa's house. They used to be kept in the warehouse across the road. Everyone saw my grandpa's shop in a photo. It was built about 1860, so it is about 160 years old. My Grandpa's shop was the most interesting thing for me.

Joel Brosille writes...

On the 31st of May the year 2-4 class walked down to the Mount Torrens Coach House. The person who was there is called Kerry. She was a volunteer. Rose was the main person. There were pictures of the olden days, a bath tub, a cash register and seeds. There were also long drop toilets, a washing tub and a dryer.

Yozef Ziegelmann writes...

We went to the Mt Torrens Coach House and I saw the main road. The main road was a dirt road in the olden days. We saw lots of pictures on the wall about things in Mount Torrens. We saw an olden day washing machine and an old cash register. There was an old bath tub and an old toilet. My favourite part of the excursion was the olden day hats. One of the hats was made out rind.

Marie Trinkle writes...

The interesting thing was the toilets and the hat that was made of rind. The picture of Coopers was so different to now. We saw mannequines and a bath that we could go in. We saw the doll inspector hat and it was so fun. I hope you go there one day.
